

## TUNNELWORKS

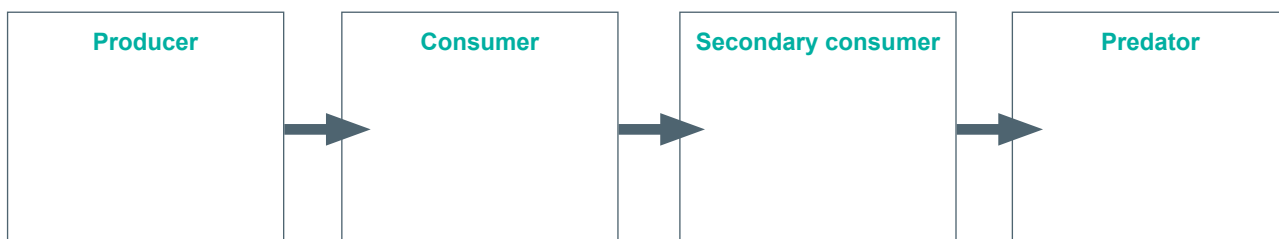

### KS2 SCIENCE LESSON 2 WORKSHEET

## WHAT DO LIVING THINGS NEED?

Write down how a habitat provides the things one of these species needs to live:

#### My food chain

Add the name of one living thing to each stage in this food chain:

#### Harming habitats

How might humans have harmed the habitats along the River Thames? Write down your ideas:

#### Helping habitats

How can humans help these habitats? Write down your ideas:
