

# TUNNELWORKS

## KS3 SCIENCE LESSON 5 WORKSHEET

### RIVER THAMES FOOD CHAINS AND WEBS

Add species below to create one or more food chains, or a food web:

**Predator**

**Secondary consumer**

**Consumer**

**Producer**

---

#### **Human impacts and adaptation**

How might human impacts affect how each species can adapt to its habitat along the River Thames?

<b>Predator</b>	
<b>Secondary consumer</b>	
<b>Consumer</b>	
<b>Producer</b>
