Item 1	Notes for the record
Applicant Reference	The Panel considered information pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-735170
Relevant Tideway site	Earl Pumping Station
Decision	Not Awarded
Details of the award	<p>The claimant states that his property is being affected by vibration from the Earl Pumping Station construction site which occurs often enough for him to be worried about damage to his flat. The Panel has not been made aware of the precise location of the claimant's property in relation to the construction site. No medical or special case circumstances have been identified to the Panel.</p> <p>The Panel has determined that the requests from the claimant sit outside of the remit available to the Panel and that the contractor should make contact with the claimant to carry out a condition survey of the property and that they should explain the mechanism for dealing with any potential damage to the property.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p><u>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions-feb-2020.pdf</u></p>
Further information required/actions arising	None

Information/action requested from Tideway	Tideway to arrange for the contractor to make contact with the claimant to carry out a condition survey of the property and that they should explain the mechanism for dealing with any potential damage to the property.
