Item 7	Notes for the record
Applicant Reference	The Panel previously considered the information contained in pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-735456
Relevant Tideway site	Chambers Wharf
Decision	AWARDED
Details of the award	<p>The ICP carried out a home visit to the claimant's property on the 21st of July 2022. The home visit was a direct result of an appeal in respect of an award which was made at Meeting #211. The Panel members consisted of the Chair and the Noise & Vibration Specialist. A representative from Southwark Council was also in attendance.</p> <p>The Panel members received information from the claimant and her husband and was shown a number of videos which identified noisy events which occurred both during the daytime and night-time. The Panel noted that dust monitoring indicated that dust (particulate) levels remain significantly below levels which in the UK are considered to result in health issues.</p> <p>The Panel has considered the claimant's circumstances very carefully and the Medical Specialist has been updated in respect of the home visit which was carried out in his absence.</p> <p>The Panel has determined as a very precautionary measure in respect of the claimants' obvious stress and mental health, to award the claimant respite for <u>all</u> family members at the standard rate which may be commuted into a holiday break away from the claimant's home to be taken before the end of August 2022 at the equivalent cost.</p>
