Item 1	Notes for the record
Applicant Reference	The Panel considered the information contained in pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-738331
Relevant Tideway site	King Edward Memorial Park Foreshore
Decision	AWARDED
Details of the award	<p>The Panel considered that the rent received under the new tenancy was good evidence that the deemed market rent was likely to have increased. Accordingly, the Panel made an award for the 12 month period 23rd June 2022 to 22nd June 2023.</p> <p>It should be noted that the impact of any Tideway works will reduce in the future such that the Panel anticipates that it should be possible to achieve the full market rent for the property from June 2023 onwards.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p><u>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions_feb-2020.pdf</u></p>

Item 2	Notes for the record
Applicant Reference	The Panel considered an email from the claimant dated 5 th October 2022.
Relevant Tideway site	Acton Storm Tanks
Decision	AWARD AMENDED
Details of the award	<p>Having considered the request to backdate the award to when the claim was first made, the Panel has considered this request very carefully and has determined that, as a very precautionary measure in respect of the claimant's health issues, the award should commence from the 21st September 2022. This departure from normal practice with respect to when an award commences is solely because of the identified health issues.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions_feb-2020.pdf</p>
