

INFORMATION SHEET

OCTOBER 2023

CARNWATH ROAD RIVERSIDE

We continue to make good progress with our works on the Carnwath Road Riverside site and the team are preparing for the next phase of works in November, which includes placing the precast cover slabs onto the shaft.

In preparation for this the team will be completing concrete pours at pit bottom, reinforcing concrete structures in the upper shaft as well as completing casting the precast cover slabs on the surface.

After the cover slab is installed, we will continue with waterproofing works on the surface and the installation of ducts and foam concrete topping.

Works will also continue below ground to construct the Air Treatment Chamber to assemble the reinforced concrete walls and cover slab.

To enable this work to be carried out safely we will require the use of a large crane which we expect to be delivered outside of working hours on Sunday 29th October 2023. The crane will then be built on the following Monday and Tuesday. To ensure we maintain our programme we will need to work on Saturday 4th November and Sunday 5th November between the hours of 08:00 and 18:00.

The crane will be removed from site once this work has been completed. Due to the size of the crane, it will need a Police escort, to and from site. The date and times are therefore subject to change.

KEY INFO

Duration of work

- October to December 2023

What to expect

- Crane arrival on site

What will we do

- Tell you if our plans change
- We will monitor noise, vibration and dust levels
- Keep any disruption to a minimum

INFORMATION SHEET

Tideway

Our normal working days will continue from Monday to Friday during the hours of 08:00 and 22:00 and 08:00 to 18:00 on Saturdays 09:00-1600 Sundays however we will limit these working hours where possible. To ensure our work can be carried out safely we may need to work outside of these hours. We will only do this with the necessary permission and consents from the local authority.

Our team will continue to monitor noise & vibration levels at all times during these works.

We apologise in advance for any inconvenience this may cause you and encourage anyone who has any queries or concerns regarding our works on our Carnwath Road Riverside site to please contact the Tideway Helpdesk on 0800 030 8080 or at helpdesk@tideway.london.

Some people are affected more than others by construction work such as noise and vibration. If you feel you may be affected by any of Tideway's work, including these activities, contact the Helpdesk - helpdesk@tideway.london - to discuss the support available through the Independent Compensation Panel process.

Tideway is happy to provide information in other languages and formats such as braille or large print. Please contact us: 08000 30 80 80 or helpdesk@tideway.london.
