Item 1	Notes for the record
Applicant Reference	The Panel considered the information contained in an email from the claimant addressed to Tideway Mitigation dated 11 October (pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-739451)
Relevant Tideway site	Chambers Wharf
Decision	AWARDED
Details of the award	<p>The claimant and her family circumstances are known to the Panel. The Panel has previously visited the claimant's property and the location to the east of the construction site is well known to the Panel.</p> <p>The Panel is aware of the on-going activities at the CHAWF site which may result in some noise from time to time and therefore the previous respite award is extended from the date of this decision until the Christmas site shutdown.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p><u>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions_feb-2020.pdf</u></p>
Further information required/actions arising	None
Information/action requested from Tideway	None

Item 2	Notes for the record
Applicant Reference	The Panel considered the information contained in an email chain between ICP Admin and the claimant dated 17 October (pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-739482)
Relevant Tideway site	Chambers Wharf
Decision	NOT AWARDED
Details of the award	<p>The ICP has made many visits to the CHAWF site and whilst it is aware that occasional works may result in significant disturbance, these are not occurring all the time and there are many quiet periods during the day. There is no night-time working.</p> <p>In respect of temporary rehousing, the Panel, having reviewed the health evidence made available to it and with the benefit of information related to the future works programme, cannot identify any justification for temporary rehousing particularly with respect to where the claimant's property is located. For a similar reason, the existing respite award remains unchanged and, additionally, no award is made for 'doggy day-care'.</p> <p>In respect of any award after the Christmas site shutdown, the claimant would have to submit a new claim which would be considered by the ICP at that time.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p><u>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions_feb-2020.pdf</u></p>
Further information required/actions arising	None
Information/action requested from Tideway	None

I confirm that these minutes are an accurate record of the proceedings of the meeting.
