Item 3	Notes for the record
Applicant Reference	The Panel considered the information contained in pack 2350-TDWAY-TTTUN-990-ZZ-ZZ-739802
Relevant Tideway site	Kirtling Street
Decision	PART AWARDED
Details of the award	<p>At ICP meeting # 249 on the 9th of January 2024, an award was made. The claimant is now seeking an extension of that award given that it appears as though the outstanding works will not be completed by the end of February 2024.</p> <p>The KRTST update indicates that the outstanding works are ancillary highway works.</p> <p>The request to extend the existing respite until and including 3rd March 2024 is awarded.</p> <p>The Panel is aware that, from a very recent site visit on the 25th of January 2024 and information in respect of the site activities, that work at the site is minimal and hence disturbance may only occur for limited periods of time. Based on the low level of construction activity at the site, a further award is not made.</p> <p><u>All awards are subject to Tideway's Guidelines for Implementation of ICP decisions.</u></p> <p><u>https://www.tideway.london/media/4138/guidelines-for-implementation-of-icp-decisions_feb-2020.pdf</u></p>
Further information required/actions arising	None
Information/action requested from Tideway	None
